

VFW Auxiliary Department of NH – Historian

January 2022 General Information

Happy New Year!!!!

Thank you for everything you and your Auxiliaries have been doing to support Veterans & their Families! Last month was challenging especially due to the new COVID-19 variant. I myself had challenges which sidelined me for most of the month.

To my surprise, even though I was sidelined, I came home and found myself stuck at a traffic light by my local police department. A great Historian moment to see Wreaths Across America headed out from the Merrimack Cemetery. You never know when an opportunity will come. Always be ready to capture the moment!

Council of Administration Meeting!

This is a great opportunity to learn something new!! Please send me an email or reach out on Facebook and let me know what you would like to learn how to do on Social Media!!!

Social Media Check-in!!!!

This is a Requirement from National for EACH Auxiliary to have their own Facebook page. A great opportunity to engage a member that is Social Media savvy and to get the word out of your events and activities.

It's now January and let's get this done! Contact me to get your Facebook Page up and running!

IMPORTANT INFORMATION

VIDEO TIME!!!

I again challenge each Auxiliary to create and post a Video to their Facebook Page! The video does not have to be long, even a one-minute video will work! Go Live on Facebook during your next event! Show everyone what you are doing to help support Veterans and Veterans causes.

\$\$\$ INCENTIVE TIME \$\$\$

Each Auxiliary that posts a Facebook LIVE video in December will be entered into a Drawing for **\$50** prize. Each video posted equals one entry into the drawing. Tag me in your video #juliederubeis so I can see your video. If you have questions or need assistance with this task, please let me know. **Deadline has been extended to February 28th.**

Best regards,

Julie DeRubeis – Dept of NH VFW Auxiliary Historian / Media Relations Chair 2021-2022
